EACH DAY BRINGS A CHANCE TO DO BETTER

How often we wish for another chance to make a fresh beginning, A chance to blot out our mistakes and change failure into winning -

And it does not take a special time to make a brand-new start, it only takes the deep desire to try with all our heart-To live a little better and to always be forgiving And to add a little "sunshine" to the world in which we're living -

So never give up in despair and think that you are through, For there's always a tomorrow and a chance to start anew.
